

Familiar Summer Scene at Your House?

If so, you can keep reading a priority and fun activity at home this summer by accessing the eBooks collection from the St. Anne Catholic School Library?

Currently, the SAS library has two different collections of eBooks: TumbleBooks and eSebco Books.

TumbleBooks are animated, talking picture books and chapter books with corresponding games and other activities. For language learning, some titles are available in Spanish and French. The site also offers terrific educational video clips.

The eSebco Books collection contains fiction and nonfiction selections in various reading levels, lengths, and formats.

The majority of the eBook titles are Accelerated Reader books.
