# FOUNDATIONAL DOCUMENTS

## MISSION STATEMENT

*St. Anne Catholic School serves the families of the Diocese of Beaumont, the city of Beaumont, and the surrounding communities. The school provides a superior standard of academic excellence preparing students to succeed in a rigorous secondary education and to be faithful, lifelong Catholics. Students excel in a nurturing, safe, and traditional Catholic school climate that celebrates faith, diversity, leadership, and service to others.*

## OUR PHILOSOPHY

St. Anne Catholic School is called to be a beacon in the Catholic school system of the Diocese of Beaumont, Texas. St. Anne serves children both Catholic and non-Catholic and integrates elements of faith with the learning process.

Children at St. Anne School are educated using Catholic instruction appropriate to grade-level understanding with numerous opportunities for worship and service to the community.

St. Anne School ultimately strives to educate the whole child by providing a safe learning environment with attention to spiritual and physical health and discipline in the areas of behavior and dress, while encouraging involvement of parents and family members creating a strong sense of belonging among its students, staff, and families.

*St. Anne Catholic School Colors:* Blue and Gold

*Mascot:* Wildcat

*School Fight Song:* Cheers to ole' St. Anne  
Great is her name  
Her loyal sons are out to fight and win another game.  
See her colors flying

## **VISION STATEMENT**

St. Anne Catholic School will be the school of choice for families who value a superior educational setting that develops students intellectually, spiritually, and morally to become leaders who are engaged through their faith and service as global citizens of today's diverse world.

## **PROFILE OF AN 8<sup>th</sup> GRADE GRADUATE**

St. Anne Catholic School fosters an environment that nurtures the development of the following characteristics in graduates:

- A disciple of Christ—faith-filled and centered in gospel values, with an active prayer life and knowledgeable about the Catholic faith and traditions.
- A Christian leader—a person of integrity who is committed to justice, a community builder, respectful of others and a steward of the environment.
- A well-rounded, responsible student who is open to growth, possessing the qualities of self-confidence and discipline.
- A loving person who is kind, forgiving, and welcoming; appreciative of diversity; compassionate and peace-filled.
- A lifelong learner in whom the skills of creativity, technological literacy, academic and spiritual proficiency, critical thinking, and problem-solving are initiated and nurtured.

## **COMMUNITY OF TRADITION**

St. Anne School was founded in 1937 as the parish school for St. Anne Catholic Church. Reverend E. A. Holub was the founding pastor and the Sisters of St. Mary of Namur originally staffed the school. Today, St. Anne School continues to fulfill its mission of providing a quality Catholic education rooted in moral and religious values and fostered by commitment and service.

St. Anne offers eleven years of schooling associated with a Catholic elementary school: pre-kindergarten 3 through grade eight. The campus reflects a blending of the old and new. The original and new buildings are designed in the graceful architectural style of the Franciscan missions.

Students attend weekly Mass in the original church building and participate annually in the May Crowning of Mary. The annual Halloween Carnival is an ever-popular event for the school and community.

## **THE ROLE OF THE BISHOP**

The Second Vatican Council redefined the role of the bishops in the Dogmatic Constitution on the Church and the Decree on the Bishop's Pastoral Office in the Church. Both documents clarify the Bishops' roles as a true and authentic teacher of the faith. In this function as teacher, the Most Reverend Bishop is the director of the Catholic schools in the Diocese.

## **SUPERINTENDENT OF SCHOOLS**

The Superintendent provides overall leadership, direction, and support to those engaged in the ministry of Catholic school education through consultation and cooperation with the Office of the Administration, through the identification of strengths and needs of Catholic schools, and through the development of programs and services to foster quality and excellent Catholic education.

The Superintendent is responsible for the formation, promulgation, and interpretation of policies pertaining to the operation of Catholic schools and overseeing school/parish compliance with established policies including compliance with federal, state, and local regulations applying to nonpublic schools.

## **ACCREDITATION**

In accordance with the decision of the Roman Catholic Bishops of the State of Texas, our school is recognized by our Bishop as a Catholic school accredited by the Texas Catholic Conference Education Department (TCCED). As well we are a member in good standing of the National Catholic Education Association.

## **FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT**

This act gives parents, custodial and non-custodial, and students the right to access the student's records. Records will not be released to third parties without parental knowledge or consent.

## Code of Ethics

*The St. Anne student:*

- **is trustworthy and seeks justice.**
- **respects all of God's creations.**
- **acts responsibly, having the courage to choose to make the right choices even when those choices are not popular.**
- **accepts the challenge to reach his or her potential physically, spiritually, emotionally, and intellectually.**
- **is generous with his or her time, talent, and resources, understanding that our call is to serve others.**

## THE STUDENT

### Responsibilities of the Student

1. Show respect to all school personnel, visitors, parents, and students.
2. Be reverent in all religious activities.
3. Cooperate with all school authorities in all school regulations.
4. Develop self-control and, in doing so, help promote a positive school environment.
5. Arrive at school well-groomed and properly dressed in uniform.
6. Respect the property and reputation of others.
7. Cooperate in school and class enterprises.
8. Attend school prepared, punctually, and with all necessary supplies and assignments.
9. Respect the school, priests, teachers, school employees, and students in all aspects of life including all forms of social media, i.e. *Facebook, Twitter, Instagram, etc.*

## THE PARENTS

Parents have chosen to enter into a partnership with St. Anne Catholic School who trusts that parents will be loyal to this commitment. During these formative years (Pre-k 3 - 8) students need constant support from both parents and faculty in order to develop moral, intellectual, social, cultural, and physical endowment.

### Responsibilities of Parents

1. Provide a Christian home.
2. Get assistance from the Catholic school in establishing the religious and moral training of children.
3. **Necessitate regular school attendance, and send the children on time each morning.**
4. Respect the school, priests, teachers, school employees, and students in all aspects of life including all forms of social media, i.e. *Facebook, Twitter, Instagram, etc.*  
  
Under normal circumstances, a student will not be deprived of a Catholic education at St. Anne Catholic School on grounds relating to the attitude or behavior of parent(s) or guardian(s). Nevertheless, it is recognized that a situation could arise in which the uncooperative and/or disruptive attitude or behavior of a parent/guardian might so diminish the effectiveness of the school in acting in its capacity of *in loco parentis* (in place of the parent) that the continuation of the student's enrollment could be deemed untenable. In such a situation, at the discretion of the principal, the student may lose the privilege of attending St. Anne Catholic School.
5. Uphold the policies and procedures of the school.
6. Participate in school activities by attending school-sponsored events and by providing volunteer hours to support school events.
7. Confer at times with the teacher on the status and progress of the child.

## GRIEVANCE PROCEDURE

### Reconciliation Board

In the ongoing effort to respond to the needs of the St. Anne Catholic School community, a Reconciliation Board MAY be formed to hear the concerns of its members. The process being implemented is modeled after the teachings of Jesus where in St. Matthew 18:15-17, He speaks to this issue:

*“If your brother sins [against you], go and tell him his fault between you and him alone. If he listens to you, you have won over your brother. If he does not listen, take one or two others along with you, so that every fact may be established on the testimony of two or three witnesses. If he refuses to listen to them, tell the church. If he refuses to listen even to the church, then treat him as you would a Gentile or a tax collector.”*

Based on this teaching, the steps for reconciliation will be as follows:

#### INITIALLY:

The individual(s) presenting the issue shall meet with the person who is the subject of the complaint and discuss the issue(s). If the complainant is not satisfied with the outcome of the conference, the process will proceed to *Level One*.

#### LEVEL ONE

If the individual(s) presenting the issue is not satisfied with the outcome of the conference initially, the person bringing the complaint, as well as the one to whom the complaint is addressed, shall present his/her understanding of the situation in writing to the principal within five working days from the initial meeting.

#### LEVEL TWO

The principal, after reviewing the written statements, will meet together with the parties involved within three days after receiving the grievance to seek a solution.

#### LEVEL THREE

When the outcome of the conference at *Level Two* does not accomplish a resolution, either party may request a conference with the Reconciliation Committee within five days

following the meeting with the principal. The written request to meet with the Reconciliation Committee should be sent to the pastor of St. Anne Church. A written grievance should accompany the request.

#### LEVEL FOUR

If an equitable solution is not achieved with the Reconciliation Committee, the individual(s) may request a conference with the pastor of St. Anne Church in an effort to achieve resolution and present his grievance in writing.

### I. ADMISSION POLICIES

St. Anne Catholic School adheres to the Admissions Policies stipulated in the *School Regulations Manual*, Diocese of Beaumont.

#### Non-Discrimination [Diocesan Policy]

Schools in the Diocese of Beaumont do not discriminate on the basis of race, sex, or national origin in accepting applications of school personnel and students. Annually at registration time, the Office of Catholic Schools will publish in *The East Texas Catholic* a non-discrimination statement for admission of students.

All students entering school must turn:

- 3 years-old for Pre-k3
- 4 years-old for Pre-k4
- 5 years-old for kindergarten
- 6 years-old for 1<sup>st</sup> grade

on or before September 1.

### ORDER OF ACCEPTANCE

1. Siblings of Catholic and non-Catholic students who are currently enrolled and children of teachers.
2. Any Catholic children not currently enrolled.
3. Non-Catholic students.

## PROCESS OF ACCEPTANCE

### Admission of New Students [Diocesan Policy]

#### From out-of-state

Children seeking admission to Pre-K, K or grade 1 who are under age according to admission requirements, may not be admitted to the respective grade unless:

- The student has moved from a state where the age requirement differs from that listed above.
- The student has successfully completed the respective grade in that out-of-state Catholic or accredited school.

#### New Students

Families wishing to enroll at St. Anne must meet with the principal and Director of Admissions in person prior to final acceptance into the school.

All students are put on a waiting list or probation until the academic and conduct records from the previous school have been requested and received by the principal. Records brought by the registering students are not acceptable. Copies of official (i.e. state health department) birth certificate and baptismal certificate, if Catholic, must be submitted with registration papers.

Upon receipt of the cumulative records and results of a recent standardized test and placement test, the principal makes a decision regarding the acceptance and grade placement of the new student **for a trial period of 4 to 6 weeks**. No later than the fourth week that the new student is in school, the principal and the teacher discuss the progress of the student. If performance indicates that a change of grade would be beneficial for the student, the parents must be called in for a conference to explain reasons for a grade change.

Students in all schools in Diocese of Beaumont are on probation until all school and immunization records have been received.

*The principal is the person responsible to see that only students with proper credentials are admitted.*

## SPECIAL NEEDS, DIOCESAN VISION STATEMENT

The Diocese of Beaumont promotes a model of inclusion for children with mild learning disabilities/differences in our schools. We believe that children with mild learning differences can be successful within the regular classroom setting when strategic teaching methods are utilized and appropriate planning are implemented. This philosophy is based on the understanding that parents are active partners with the school and play a critical role in their child's success.

Unlike the public school system, Catholic schools do not receive state and federal monies to fund special education programs. Therefore, we do not write or accept Individualized Education Plans as public schools are mandated to do. A plan may be written at each school for those students who are experiencing learning or behavioral differences. Each school will designate the proper personnel to collaborate on this plan with the parents. The plan's content is dependent on each school's ability to make **reasonable** accommodations to assist a student or to provide personnel who may participate in the plan.

Parents are expected to provide copies of all assessment information to schools in order that an appropriate student intervention plan can be written. If an assessment has not taken place, the school may require that an assessment is necessary to determine the student's strengths and weaknesses. This assessment can be done by a local ISD at no charge to the parents. Contact the principal for information.

In some cases it may become evident the severity of the *learning* or *behavioral* disability/difference exceeds the level of accommodations the school may be able to offer the student. The question of what will best benefit the student's success may indicate that a different educational placement is necessary. This decision will be based on knowledge of the resources of the school and the severity of the problem. In all cases, the decision will be based on Christian compassion.

## SPECIAL PROGRAMS DEPARTMENT

St. Anne School's Special Programs Department consists of a school counselor and instructional support teachers. In order for your child to receive Special Programs support, it is necessary for a student to have outside diagnostic evaluation. Once testing is completed, it is the responsibility of the parents to submit the results to the counselor or the principal. If your child qualifies to receive Special Programs assistance and the school is able to meet these needs, a support plan will be developed, approved by all parties through a Strategy Plan Conference, and implemented.

## II. REGISTRATION PROCEDURES

Registration fees must be paid in the spring at the time of registration for the following year or at the time a new student is registered. Such fees are non-refundable. Registration for next school year will not be complete until the tuition and fees for the current year are paid.

FACTS Tuition Management Service handles all tuition payments. Tuition is payable from July through April only by bank draft. Parents may make a one-time lump-sum payment by August 5.

**All families must register with FACTS Tuition Management regardless of method of payment for tuition processing.**

**Families enrolling into income category 7, Pre K, and non-Catholics can skip the application to FACTS *Grant & Aid* by letting the school know their intent to pay category 7, Pre K, or non-Catholic tuition. Families applying for tuition categories 1-6 must complete a *Grant & Aid* application and submit all the necessary supporting documentation to FACTS *Grant & Aid* Assessment at [www.factstuitionaid.com](http://www.factstuitionaid.com). Your registration is not complete until all forms and registration fees are received at St. Anne Catholic School and you have fully enrolled in FACTS.**

**Tuition and Fees Schedule:** Available on school website.

## III. RELIGIOUS INSTRUCTION

Daily prayer and instruction in the Catholic faith will be provided for all students. Parents should keep in mind that they are the primary religious educators of their children.

Daily instruction in the teachings and beliefs of the Catholic faith is an integral part of our school curriculum. All teachers of religion are certified to teach or are working toward certification according to the Diocese of Beaumont Office of Religious Education.

Classes attend Mass on a weekly basis at St. Anne Catholic Church. The Masses are at 8:15 a.m. and are on the following days:

Wednesday	K, 7 <sup>th</sup> & 8 <sup>th</sup>
Thursday	2 <sup>nd</sup> , 3 <sup>rd</sup> , & 4 <sup>th</sup>
Friday	1 <sup>st</sup> , 5 <sup>th</sup> & 6 <sup>th</sup>

All-School Masses are scheduled throughout the school year and are usually held at 9:30 a.m. Other special religious activities include a Living Rosary, Reconciliation Services, Blessing of the Pets, Stations of the Cross, and May Crowning.

Honor Roll Awards for 4<sup>th</sup>-8<sup>th</sup> end of year will be based on the student's "Final Average" in each class.

**HOMEWORK POLICY**

Homework is used to enrich or reinforce topics introduced and taught in class and should be used as practice of skills, extension of concepts, or preparation for classroom work. The teacher is responsible for assigning effective, well-planned homework assignments that aid the student in the mastery of course objectives. Homework should be assigned after successful guided practice has occurred in the classroom. The amount of time required to complete homework will vary according to the age and capabilities of each student.

In case of illness, parents must check St. Anne's updated web parent portal (assignments and grades are listed here) or make arrangements to obtain assignments and get books from their student's locker or classroom after 3:15 p.m.

Homework is due the day after it is assigned unless the teacher has determined a special advance date for an assignment. For grades 6-8, if homework is one day late, **30 points** will be deducted from the student's grade. If the child does not turn in homework after the second day it is due, **20 additional points** will be deducted. The assignment will be counted as a zero on the third day. Students who are consistently late with homework assignments are exhibiting poor work habits and **will serve detention for the 3<sup>rd</sup> and all subsequent homework infractions for the remainder of the quarter.** *Please refer to each grade level policies for the specific homework policy.*

## PROGRESS REPORTS

"Progress Reports" are sent home with the student at the mid-point of each nine-week period. The purpose of these reports is to inform the parents of the student's progress or lack of progress in each academic subject as well as in conduct. The dates for progress reports are listed on the monthly school calendar. However, the dates are subject to change. Please note that at most grade levels, grades are posted on the parent portals.

## REPORT CARDS

Report cards are issued at the end of each nine-week grading period.

At the end of the first and third quarters, teachers will notify parents a week in advance of a **mandatory** conference time to receive the report card. Please notify the school if this time is not convenient. A school day has been set aside for this purpose. Students are required to attend these conferences and will be counted absent for the day if they are not in attendance.

For the second and fourth quarters, two copies of the report card will be sent home with the students. One copy will be signed and returned to school.

**Report cards and other school records are withheld when financial responsibilities to the school have not been met.**

## PROMOTION AND RETENTION

The principal shall be responsible for the establishment, implementation, and publication annually in the parent-student handbook of any

regulations governing promotion and retention of students of the local school. These regulations shall be made within the parameters established by the Texas Catholic Conference Education Department and the Office of Catholic Schools:

*Early Childhood* In the pre-k 4 and kindergarten grades, formal assessments and observations are methods used to determine student growth and progress. Assessments occur frequently and are valid indicators of the child's rapidly changing level of learning. Assessment of student progress includes input from teacher, administration, and parent/guardian.

Retention may be warranted if student social and educational growth have not reached expectations.

*Elementary Grades* In the elementary grades, to be promoted from one grade level to the next, a student shall perform as follows:

- In grades one through three, the student shall attain an overall average of seventy (70) or above for the year in reading, language arts, and mathematics.
- In fourth and fifth grades, the student shall attain an overall average of seventy (70) or above for the year in reading, language arts, and mathematics, science, and social studies.
- A student who fails more than two major subjects is not promoted to the next grade level. For each major subject below "70," a student must make up the work in an approved summer school program.

*Middle School Grades* In the middle school grades (6-8), to be promoted from one grade level to the next, a student shall perform as follows:

- A student shall attain an average of seventy (70) or above in five of the following subjects: religion, literature, English, mathematics, social studies, and science.
- A student who fails more than two major subjects is not promoted. For each major subject below "70," a student must make up the work in an approved summer school program.

### TESTING [Diocesan Policy]

The particular achievement tests to be administered are to be determined by the superintendent in consultation with a committee of principals. Currently, the standardized tests Iowa Test of Basic Skills (ITBS) and Cognitive Abilities Test (CogAT) are administered annually to all students in grades 1-8.

**Testing will begin on Friday, March 5, 2018, and end on Friday, March 9, 2018.**

### PARENT-TEACHER CONFERENCES/VISITS

Two formal conferences are scheduled during the school year—one after the first reporting period and one following the third reporting periods.

If you require an additional conference, please contact your child's teacher. All conferences held during the school day should be **during a teacher's conference period** so as not to interrupt instruction.

### IV. DISCIPLINE POLICIES AND PROCEDURES

When enrolling a child at St. Anne Catholic School, the parent agrees to and is supportive of the rules and regulations that we deem critical in the spiritual, academic, and behavioral growth of your son or daughter.

The administrator handles such matters in a variety of ways depending on the severity of the incident. All decisions regarding detention, suspension, and expulsion will be determined by the school principal.

Parents who have a question, complaint, or concern should attempt to resolve it at the most appropriate and immediate level. First, the parent is to discuss the matter with the teacher concerned. If further consultation is necessary, then the parent, teacher, and student will meet with the administration as appropriate. Parents are reminded of their obligation to uphold the school disciplinary policy and to foster respect for the faculty and staff of the school by their words and actions in the presence of their children.

We are partners with parents in their children's education. We notify parents of concerns about student life or behavior, even when

off campus. Teachers, parents, and staff are to take seriously conversation or information about potentially harmful activities or behaviors and report information to an administrator. Administrators will then contact parents when concerned about students' behavior.

### DISCIPLINE PROCESS AND CONFLICT RESOLUTION

Every effort will be made to deal with disruptive student behavior in a manner that is consistent with Christian dignity and with respect for all persons involved. Additionally, every effort should be made to solve problems immediately and at the appropriate level. There is no substitute for open and honest communication whenever a question or problem arises. A teacher might include other teachers or administrators in conferencing or counseling with students, if a situation so warrants.

The normal process for consultation would be as follows:

1. Teacher – student
2. Teacher - parent contact (may include a telephone conference, an e-mail, or a written note)
3. Administrative team - teacher - parent conference
4. Principal - parent conference

### IN THE CLASSROOM

All teachers take actions to create an environment that supports and facilitates both academic and social-emotional learning. Teachers discipline students directly for any minor classroom disruptions. If a student continues to disrupt the class, the teacher may send the student to an administrator.

### EARLY CHILDHOOD

Pre-k 3, Pre-k 4, kindergarten, and first grade classrooms use age-appropriate discipline and grade-specific conduct guidelines to assess their behavior. Each grade-level will address the behavioral guidelines and expectations of their students.

**CONDUCT GRADES****Conduct Grading System 1<sup>st</sup> – 2<sup>nd</sup>**

In 1<sup>st</sup> and 2<sup>nd</sup> grades classroom teachers will document when students earn infraction marks in the above conduct categories. If a student is reported in this book frequently, a notice will be sent home to communicate these behaviors to the parents.

Students will receive a conduct grade in each conduct category based on the number of infractions incurred at progress report (mid-quarter) and at the end of the nine-week grading period. These two grades are averaged together to determine students' quarterly report card conduct grades in each category.

**Students in 3<sup>rd</sup> – 5<sup>th</sup> grade receive an overall conduct grade. Students in 6<sup>th</sup> – 8<sup>th</sup> grade receive a conduct grade associated with each subject from that course's teacher.**

**SCHOOL-WIDE POLICIES**

Conduct grades are based upon the following school-wide rules:

1. Showing reverence to God.
2. Follow all "Classroom Rules" assigned by classroom teachers.
3. Refraining from damaging property of another student, faculty, or the school.
4. No Cheating.

Cheating includes copying or talking during a test or quiz and copying or sharing homework. Any student will receive a zero on a quiz, test, or homework if he/she is found to be cheating. In addition, the student will receive a referral form to be signed by parents and returned to school, and receive an N in appropriate and courteous behavior.

5. Items not used directly in the educational process are not to be brought to school unless prior permission has been granted. These objects/toys may possibly be confiscated and not returned until the end of the school year.
6. Students must follow the Student Cell Phone Policy (see below).
7. Students must follow all guidelines pertaining to Internet Agreement (see appendix).
8. Students must follow all guidelines pertaining to the Electronic Device Policy (see appendix).
9. **Field Trips** are a privilege afforded to students not absolute rights. After two In-School Suspensions or one Out-of-School Suspension, students can be denied participation in a field trip. The principal may also require a parent to accompany his/her child on a field trip.

## STUDENT CELL PHONE POLICY

Cell phones must be turned off and kept in the student's locker or backpack during school hours, with the exception of students in grades 6-8. Middle school students (grades 6-8) **MUST** place his/her cell phone in his assigned pocket in homeroom each morning, where it will remain until the end of the day. Discovered cell phone not turned-in during homeroom will be confiscated by faculty/staff.

Any cell seen or heard by the teacher or staff will be confiscated. Students may not use their cell phones while waiting in the carpool line.

Failure to follow the above policies will result in the following consequences:

- a. The first offense will result in confiscation of the phone, detention and loss of conduct points. A parent or guardian must pick up the phone at the end of the day
- b. The second offense will result in In-School Suspension of the student. The phone will be released to the parent. The phone may not be brought back to school.

If the above policies is not followed and the phone is picked up again, the student will receive Out-of-School Suspension

## INTERNET AND CLASSROOM COMPUTERS

The *Internet and Classroom Computer Acceptable Use Policy* is included as an Appendix to this book. Students and parents will be required to sign a statement about proper use of the Internet and classroom computers at school. Failure to use properly could result in loss of privileges and other disciplinary consequences.

## iPADS/CHROMEBOOKS

The *iPAD/Chromebook Responsible Use Policy* is included as an Appendix to this book. Students and parents will be required to sign a statement about the expectations and proper use of these school-owned devices at school. Failure to use properly could result in loss of privileges and other disciplinary consequences.

## PERSONAL ELECTRONIC DEVICES

The *Personal Electronic Device Policy* is included as an Appendix to this book. Students and parents will be required to sign a statement regarding the use of personal electronic devices at school. Failure to adhere to these guidelines are clearly stated in the policy.

## CONSEQUENCES

Teachers and administrators may use the following consequences:

1. Receive infraction mark per incident and/or loss of recess time.
2. Student may be required to serve a detention.
3. Detention may be assigned with a minimum of one day's notice. A child who is late to detention will not be able to serve detention. Failure to attend detention or serve the entire time will result in an additional detention. **Detention can be given during recess, lunch, or on Thursdays from 3:15 to 4:30 p.m.** Detention takes precedence over appointments (except medical), practices, lessons, etc.

After two missed detentions for inappropriate conduct, a student will be automatically assigned to one day of In-School Suspension.

4. If behavior does not improve **after three detentions**, In-School Suspension will be assigned by the school administration.

Students who are given an In-School Suspension will be required to report to school to do their work. They will be given credit for their work, but the conduct grades will be lowered a letter grade for that quarter.

***In-School Suspension (1 day or more):*** Parents will be notified of the date of In-School Suspension. Students must bring their lunches on the day(s) designated by the school to report for In-School Suspension. Students will be given their assignments. Occasionally, it may be necessary to place a student in In-School Suspension immediately for his/her own well-being.

**Students will not participate in any extracurricular activities for one week from the date of the incident. (5 school days)**

5. **After two In-School Suspensions**, students will be given an **Out-of-School Suspension**. Students given an Out-of-School Suspension by the school administration should still do the work but will receive no credit for the work, and conduct grades will be lowered a letter grade **for that quarter**.

***Out-of-school suspension (1 day or more):***

*Students who are suspended will not make up any assignments or tests.*

**Students will not participate in any extracurricular activities for one week from the date of the incident. (5 school days)**

6. **If a conduct infraction is severe enough**, the school administration has the right to issue an immediate In-School Suspension, Out-of-School Suspension, expulsion, or special disciplinary contract.

**The following severe infractions could result in immediate referral to the office:**

1. Possession of any drugs, alcohol, weapons of any kind, pornography.
2. Flagrant disrespect such as fighting/wrestling, harassment of peers or staff, name-calling (even in jest), bullying, or making racial slurs.

St. Anne School provides a safe environment for all individuals. Verbal or written threats made against the physical or emotional well-being of any individual will be taken seriously. Students making such threats (**seriously or in jest**) face detention, suspension, and/or expulsion.

Harassment of any type, verbal or written (including texts or Internet-based) will not be tolerated. The administration will investigate all complaints of harassment. Students involved in harassing behavior face detention, suspension, and/or expulsion.

3. Profanity/obscene gestures
4. Cheating
5. Plagiarism
6. Theft, vandalism/destruction of school property
7. Deliberately pulling the fire alarm switch
8. Truancy/cutting a class

9. Misbehavior of any kind with a substitute teacher will be referred to the office.
10. Engaging in dangerous activities.
11. Violation of the Internet Agreement
12. Violation of the Electronic Device Agreement
13. Not adhering to cell phone policy

## WITHDRAWAL/EXPULSION

When a student's conduct causes the order of the school to be obstructed; the health or safety of the students is imperiled; or the moral well-being and good name of either the teachers, students, or the school is jeopardized, the student forfeits the privilege of attending St. Anne Catholic School. This may include students who are persistently disruptive and who do not meet behavioral goals. The expulsion of a student will constitute forfeitures of all tuition and fees.

## DIOCESAN POLICIES

### SUBSTANCE ABUSE POLICY [Diocesan Policy]

Each school shall initiate a program of substance abuse prevention to include information designed to reduce the likelihood that students or employees will harm themselves or others through the misuse and abuse of chemical substances.

### Regulations

Each school will have a local policy governing the matter of substance abuse and subsequent rehabilitation of students and employees. The principal or her designee will coordinate a substance abuse program. A student or employee who possesses, distributes, or ingests any mood-altering chemical or illegal drug on school property or at a school function is liable for immediate intervention, assessment, and follow-through according to the school's policy.

Students are to refrain from the following:

1. Using or possessing marijuana, narcotics, hallucinatory or sedative drugs not prescribed by a physician, or any chemical, alcohol, depressant, or stimulant, as defined under the Penal Code of the state of Texas.

This prohibition extends not only to school time, but also before and after school as well

as before and/or during any school-related activity. Offenders are subject to expulsion, the usual penalty for such acts.

2. Smoking or having tobacco on school premises or during school-related activities.
3. Bringing handguns, knives, or explosive items onto the campus.

The consequence of any of the above-mentioned is **immediate referral** to the principal's office.

### **SEXUAL HARASSMENT POLICY [Diocesan Policy]**

Students shall not engage in conduct constituting sexual harassment towards their peers, faculty, employees, or other members of the school community. Sexual harassment can result in disciplinary action or dismissal.

Sexual harassment is defined as unwelcome sexual advances, requests for sexual favors, or other sexual conduct, either verbal or physical, or any conduct or other offensive unequal treatment that would not occur but for the sex of the person when the conduct, advances, or requests have the effect of creating an intimidating, hostile, or otherwise offensive environment or of interfering with the performance or promotion of the individual.

### **CORPORAL PUNISHMENT [Diocesan Policy]**

Corporal punishment is not permitted in the Catholic Schools of the Diocese of Beaumont.

## **VI. ATTENDANCE**

The strict legal requirements for the number of days school must be in session are made for the purpose of assuring that each student has sufficient days of instruction to fulfill all of the requirements of each course/class taken. The Texas Catholic Conference Education Department has determined that students should be in school for 180 days of instruction. St. Anne Catholic School encourages every student to be in school every day and strongly discourages frequent, excessive, and/or extended absences from school. Frequent and extended absences are detrimental to the student's progress. Therefore, after ten unexcused absences or four consecutive unexcused absences, a parent-

administrator conference will be required. **If a student fails to attend 90% of these 180 days, he/she may not be promoted.**

Because of this, St. Anne is not in favor of requests to excuse students for extended periods of time, **particularly** for vacations, while school is in session. For these absences, which are unexcused, students must obtain a form from the homeroom teacher to be initialed by each teacher and signed by the parents. A student will be considered in attendance if his or her absence is due to participation at an outside event as a representative of St. Anne School.

### **GUIDELINES FOR ABSENCES**

Absences are defined as missing a major portion of any single subject area. There are three kinds of absences:

1. **EXCUSED ABSENCES** - has the permission of both the parents and the school. Excused absences are considered absences and students are no longer eligible for perfect attendance. Excused absences include personal illness, serious illness in the family, death in the family, and emergencies (decision on what constitutes an emergency rests with the school and the persons involved in each case). Recitals, musical performances, etc. are excused but count as absences. Special events may be excused at the discretion of the principal.
  - a. Short Term (1-3 days) - Upon return to school, the student is expected to make up missed work *within* a period of three school days. Teachers may require the work to be made up sooner, but not later, than the three days, depending upon the circumstances of the absence.
  - b. Long Term (4 or more days) - Upon return to school, the student is expected to make up missed work within one week. The time given to make up the work may be altered at the discretion of the teacher and governed by the circumstances of the absence.
  - c. Grading - Student work made up after an excused absence is eligible for full credit depending on the quality, completeness, correctness, and neatness of the work. If the work does not meet the standards and criteria expected or, if the student fails to do the work at all, the grade for the assignment is given at the discretion of the teacher.

2. **UNEXCUSED ABSENCE** – Unexcused absences include, but are not limited to vacations, business trips, hunting/fishing trips, family reunions, etc. A vacation form must be filled out and turned in to the principal if the absence is or more days.

Parents are requested to give written notice, *three days in advance*, of any pre-planned **UNEXCUSED** absence for their child. The written notice will be delivered to the school office for processing. **If this procedure is not followed, work/tests will not be allowed to be made up. After notifying the student's teachers, parents should complete the Vacation Form (see pg. 35), which documents understanding of the school's policy on unexcused absences, and return it to school before the first day of the anticipated absence.**

Students are responsible for requesting, completing and returning, all missed assignments in accordance with the above guidelines. Make-up work following an **UNEXCUSED** absence is evaluated on the quality, completeness, correctness, and neatness of the work. If the work does not meet the standards and criteria expected, or if the student fails to do the work at all, the grade for the assignment is given in accordance with the homework policies.

### **LEAVING THE CAMPUS DURING THE SCHOOL DAY**

1. No student may leave the school premises during the school day without approval from the principal's office. Normally, such approval is granted upon written request by the student's parent or guardian. The vast majority of off-campus approvals are given for medical or dental appointments.

2. When a student is leaving the campus for any reason during the day, a written request from his/her parents must be brought to the homeroom teacher who sends him/her to the receptionist's office for an "Early Dismissal Slip." This slip is to be shown to the appropriate teacher at the time of departure.

The student is then to bring the slip to the receptionist's office. Students leaving school early are to be picked up at the receptionist's office. Parents must sign students out at the desk. Children will be released only to those who are listed on the emergency forms.

No student is allowed off campus at any time between the time he/she is dropped off and the time

he/she is picked up. **See Truancy.**

**TRUANCY** – Leaving the school grounds without permission at any time during the school day is considered truancy, even if the student returns to school that day. A student is considered truant if his/her parent/guardian does not follow the school's checkout procedure in the office. *The student shall not receive credit for work/test missed while truant.* A truancy will result in disciplinary action and possible dismissal from St. Anne.

### **ABSENCE PROCEDURES**

1. When a student has been absent, a written excuse from the parent or guardian stating the reason for the absence and the date of the absence must be presented to the home room teacher upon the student's return to school.
2. If the student should forget to bring a signed excuse, one additional school day will be allowed in which to bring the excuse to the office. If there is no note provided within one school day, the absence will be unexcused.
3. Parents are to phone the school office (409-832-5939) beginning at 8:00 a.m. to report an absence. Please give the name, grade, and reason for the absence. Also, state if the illness will be prolonged beyond one day. This will alert the school as to communicable illnesses as well as save the time of calling the parents.
4. **Please note that even though a phone call is made, a signed excuse is still required for school records.**
5. A student must be present three hours, excluding lunch, to be counted present 1/2 day. A student must be present **five** hours, excluding lunch, to be counted present a whole day.
6. Children who are home ill may not come to the library to take an AR test or participate in after school programs or practice.
7. **St. Anne School does not provide a homebound teacher or program for students absent due to lengthy illnesses.**

## TARDINESS

It is the duty of all students to be on time for school. It is the responsibility of the parents to see that they do arrive on time. Students who arrive after 7:50 a.m. miss important instructional time. Late arrivals disrupt the learning environment for all students and do not develop positive work habits for the student who is late.

1. For an excused tardy, upon arrival at school students must present a doctor's or dentist's note of verification of appointment. All other tardies will be considered unexcused.
2. On the third unexcused tardy per quarter, the student will be assigned detention in grades 5-8.
3. On the sixth unexcused tardy per quarter, the student in grades 5-8, may serve a detention as determined by the principal, and his or her conduct grade will be lowered in the Preparedness and Supplies Category.
4. Should the student's unexcused tardiness continue, the student in grades 5-8, will serve Out-of-School Suspension (OSS). The student will not be allowed to attend school on the day of suspension, and he/she will receive no credit for the work. The conduct grade will also be lowered in the Preparedness and Supplies Category.
5. Students in grades K-4, who have exceeded 6 unexcused tardies, will serve a recess and/or lunch detention. For every 6 tardies, a student's conduct will be lowered a letter grade and a parent conference will be required.
6. Should tardies become habitual and excessive, the student may be placed on probation and may lose the privilege of attending St. Anne Catholic School.

## ARRIVAL SCHEDULE

Remain in your car when dropping students at designated drop-off points. Unless a conference has been scheduled, **do not park** and walk students to class. **DO NOT park in the church parking lot and walk your students to the Cat Café.**

Students are not allowed on campus unsupervised before 7:00 a.m. Supervision is provided beginning at 7:00 a.m. in the cafeteria.

Students and parents should not go into the hallways or classrooms before or after school for any reason. **Students may not enter the library until 7:30 a.m.** They should report directly to the cafeteria. The school bell rings at 7:45 a.m. **All St. Anne students arriving after 7:50 are counted tardy and go to the receptionist's office for a pass to class.**

## DISMISSAL SCHEDULE

School is dismissed at 12 noon for Pre-K 3 half day students and at 3:10 p.m. for Pre-K3 full day and grades Pre-K4 -- 8. Students should not be released from class until the dismissal bell rings. It is required that students leave school immediately after dismissal except for those engaged in supervised after-school activities. Students may not play on the playground or any other area unattended after school. **Parents of Pre-K 3 students left after 12:15 pm will be charged accordingly. Students left after 3:30 pm must be enrolled in and will be charged a drop-in fee through the Extended Day (afterschool care) Program.**

*Parents may not park at the church or any other area and walk over to pick up children. All students must be picked-up through the carpool line.*

Parents or anyone picking up a student must have a carpool card in the window of the car to assist school personnel in placing students in their assigned cars to help ensure the safety of all children.

All students should stay in their carpool areas and remain seated until their names are called. Parents must remain in cars to pick up children. Parents may not walk up to pick up children. Children must be loaded into cars from the patio or secondary walkway at dismissal. For the safety of all students, **REMAIN IN YOUR CAR.**

## CARPOOL LINES

The Extended Day Program is open to all students of St. Anne School. The Extended Day Program is open on regular school days from 3:30 to 5:30 p.m. On early dismissal days (excluding holiday dismissal days), it is open from dismissal until 5:30 p.m. Extended Day Program is closed on Parent-Teacher Conference Days, teacher in-service days, and all school holidays.

Students in Extended Day will have a snack, complete homework, work in the computer lab, play games/outdoors, or do arts and crafts. Our school rules and discipline policies apply to the Extended Day Program. Continued participation in this program requires proper behavior.

**Purpose:** The Constitution of St. Anne Student Council defines the purpose of student government as follows:

"... to develop attitudes of, and practice in, good citizenship; promote harmonious relations throughout the entire school; promote an orderly direction of school activities; and promote the general welfare of the school."

**Membership** consists of six officers: President, Vice-President, Secretary, Treasurer, Parliamentarian, and Historian, elected in April/May for the following year. In addition, representatives are elected in sixth grade through eighth grade at the beginning of the school year.

In order to run for any office, a student must have a cumulative average of "80" or above in core subjects and **90** or above in conduct through and including the 3<sup>rd</sup> quarter grading period. Members of the student council should maintain an "80" average in all subjects and **90** in conduct. Grades are checked at report card time. If a student fails to maintain the grades academically or behaviorally, he or she must remain inactive until the next progress report. If at the next report card time the student again fails to maintain the necessary grades, then he or she is dismissed permanently. Also, **any suspension, in-school or external, results in suspension from StuCo for the semester of the incident.** A member will also be dismissed from office if he/she misses three consecutive regular meetings without revealing the cause for such absences to the president or to the sponsor. Officers are required to chair major events sponsored by the student council.

## NATIONAL JUNIOR HONOR SOCIETY

Eligibility is determined at the end of a student's first semester grading report in 7<sup>th</sup> and 8<sup>th</sup> grades. **Physical Examination:** Each student who wishes to participate in an interscholastic athletic competition must provide evidence of having been given a physical examination by a physician.

**Athletic Insurance:** All students competing in interscholastic sports must provide evidence that they are covered by primary health insurance that covers accidents.

## ACADEMIC REQUIREMENTS FOR ALL SPORTS PROGRAMS: BOYS AND GIRLS

In an effort to increase motivation and maintain academic success, all students whose last semester average is 75 or above will be allowed to

participate in tryouts. The parent of a student participating in sports must be diligent about monitoring his/her child's progress on the parent portal. If it appears a student is at risk of losing eligibility, arrangements should be made for tutoring and/or a conference should be requested with the teacher and coach.

***Eligibility at Progress Report Time***  
**Grades will be checked at report card time.**

- Students may become eligible at progress report time if they were ineligible at report card time. Students must have a 75 or better in all subjects and **minimum of an 80 for each conduct grade.**
- Progress reports serve as a warning that a student needs to work harder if he/she is to be eligible at report card time. Parents and coaches will closely monitor progress reports.

***Eligibility at Report Card Time***

Students must have an average of 75 or better in each subject and **minimum of an 80 for each conduct grade.** If a student does not meet these requirements, the following procedures apply:

- The student may practice but not play a sport providing the student made the team.
- Students may not be allowed to dress out with the team or be on the sidelines.
- Grades will be reassessed at progress report time. If the grade is a 75 or better at progress report time, then the student becomes eligible to play. If other grades drop below a 75 at this time, the student still remains eligible; however, again this progress report serves as a warning. At report card time, all grades in academics must be 75 better in each subject and satisfactory conduct in all categories, minimum of one N to continue eligibility. If the student is ineligible a second time in that sport, he/she loses the privilege of participation.
- Students become ineligible on the date of report cards.
- The student may resume participation once progress becomes satisfactory at the next progress report or nine-week report card.
- Students who are identified for modifications may be allowed special provisions.

**CHEERLEADING AND MASCOT**

The following is a list of the guidelines and responsibilities for St. Anne Cheerleaders. Failure to follow written or verbal guidelines can result in dismissal from the squad/team.

A. Eligibility for selection:

1. A student must have an average of 75 in each core course and **minimum of an 80 for each conduct grade,** including the 3<sup>rd</sup> quarter of 7<sup>th</sup> grade.

2. Students must be available for practices, meetings, and cheerleading camp during the summer. Cheerleaders must be available to practice one week prior to summer camp. Sponsors do not receive summer camp information until March.

3. Students must be registered for the next school year. All tuition and fees must be current with no outstanding balances. Tuition must be kept up-to-date.

B. Cheerleader Eligibility Policies

1. Grades will be checked at report card time for eligibility. A student must have an average of "75" in each core course and **minimum of an 80 for each conduct grade.**

2. Students who have been ineligible at report card time could become eligible at progress report time as long as the student has a "75" in all other subjects.

3. If a student receives any school suspension, then she may not participate in any extracurricular activities (including practice) for one week from the date of the incident (5 **school** days).

If it appears a student is at risk of losing eligibility, arrangements should be made for tutoring and/or a conference should be requested with the teacher and coach.

**ATHLETE/CHEERLEADER PARTICIPATION\***

**Students who are home ill or who go home ill during the school day, may not participate in after school programs or practice. Written permission from the principal must be obtained by an athlete or a cheerleader who, having been absent for part of the school day, wishes to participate in a sport that afternoon or evening.**

Any athlete or cheerleader found to be smoking, drinking alcoholic beverages, or using any substance classified as an illegal drug on or

off campus will be subject to serious disciplinary action which may include expulsion from school.

**\*These same policies apply to all students in respect to any after school extra-curricular activities, i.e. banquets, school dances, club events, etc.**

### Code of Participation for Players and Spectators

As members of the *Diocese of Beaumont Sports League*, we believe that every league activity must teach our players and spectators the following:

- Become a responsible and contributing member of our school in the attainment of a common goal.
- Overcome all barriers in achieving full potential and excellence in performance.
- Earn the respect and appreciation of others be they teammates, opponents, officials, coaches, or spectators by the manner in which we participate.
- Keep these competitive activities in proper perspective.

Athletics are an integral part of our educational program. The purpose of competition is directly related to developing our own talents rather than degrading the talents of others.

We expect our students to respect the campus of the opposing schools. Students guilty of vandalism, either during or after the athletic contest, are liable to expulsion.

Signs and posters used for athletic events must reflect good sportsmanship and must be approved by the cheerleader sponsor. Students are to refrain from booing a penalty or directing abusive remarks to individual players, teams, or officials. They are to remain quiet during free throws and are to respect the name, colors, and insignia of the other team.

Noisemakers are not permitted at basketball games nor any other athletic events. This includes whistles, horns, etc.

#### **Students are to use the following guidelines when attending athletic events:**

1. Remember at all times that they represent St. Anne Catholic School as much as the team does; the name of the school depends on each student's behavior as well as on the behavior of the team and coaches.

2. Respond with enthusiasm to the efforts of the cheerleaders. Student support is always a major factor in a team's desire to win.
3. Be considerate of the injured on both sides. Express appreciation for exhibitions of fine play or sportsmanship by players from either team.
4. Join in singing the school song.

### VIII. CLINIC

The clinic is located in the Primary Building and is available during the school day to students who are ill or taking medication. If a student is too ill to remain in school, the person in charge of the clinic will call the student's parent to pick up the student and take him/her home.

#### **Immunization Policy Texas Catholic Conference**

Every student enrolled in a Catholic school in the State of Texas shall be immunized against vaccine preventable diseases caused by infectious agents in accordance with the immunization schedule adopted by the Texas Department of State Health Services. A student who fails to present the required evidence shall not be accepted for enrollment. The only exception to the foregoing requirement is a medical **exemption** signed by a licensed physician (M.D. or D.O.) authorized to practice in the State of Texas.\*

\*See *Dignitas Personae* from the Congregation for the Doctrine of the Faith

All students are required to be current on immunizations according to the requirements of the Texas Department of State Health Services - Immunization Branch and the Diocese of Beaumont.

The Catholic Schools of the Diocese of Beaumont are not required to accept for enrollment a child who has received an exemption from the immunizations required by the Texas Health and Safety Code.

Students may be allowed to enroll provisionally for 30 days during which time immunizations records can be sent to the school.

An additional provisions enrollment may be granted to students "in progress." This refers to those students who have had at least one dose of the age appropriate vaccine require by the TDH rules.

## Illness

In order to insure a safe and healthy atmosphere for your child in school, we request the following rules be observed:

1. Children with the following symptoms should remain at home for observation and treatment:
  - Elevated temperature (100° fever)
  - Discharge from nose and eyes
  - Cough or sore throat
  - Earaches or toothaches
  - Rashes or infected sores
  - Diarrhea or upset stomach

Remember that cold symptoms can be a forerunner of communicable diseases.  
**Children must remain at home until fever free for 24 hours.**
2. Chronic illness such as asthma, diabetes, heart disease, allergic reactions, epilepsy, etc., should be discussed in detail with the child's teacher, principal, and school nurse.
3. Children who are ill cannot come to school to make up work or take tests.
4. **All pupils returning from any illness must check with the school nurse before entering class.**

## Medications

Students will not be permitted to carry medication of any kind during the school day. All medication is to be stored in the school's main office or clinic.

Only medication which is necessary for a child to remain in school will be made available during school hours. Authorized school personnel will make available only medication prescribed by a licensed physician or dentist and labeled by a licensed pharmacist with proper directions. Over-the-counter medication will not be made available unless prescribed by a licensed physician or dentist. Properly labeled medication will be made available only when it is accompanied by signed permission from the parent or legal guardian.

Each student's medication must be in a properly labeled container with the following information.

- Student's name
- Physician/Dentist's name
- Date of prescription
- Name of medication

- Dosage
- Directions for administration
- Duration medication is to be given

When the course of a medication is completed, the parent or legal guardian is to pick up any unused portion of the medication and its container within five school days. Failure to pick up the unused medication or container will result in the school's destroying the medication and disposing of the container.

## Health Screenings

Hearing and vision screenings are given each year. If a child's response is unsatisfactory, further testing by a physician will be recommended. These screenings are usually done in October.

Additional health programs during the year will include determining each student's height, weight, dental inspection, scoliosis test for grades 5-8, and head lice screening.

## Accidents

If an accident occurs during the school day:

1. The teacher or person supervising will send for the nurse.
2. The nurse will determine if the child can be moved to the clinic.
3. The nurse will call the parent. If the parent can't be reached quickly, the persons on the emergency forms will be called.
4. If the injury requires a doctor's attention, the school should be notified as to the extent of the injury.
5. All accidents that warrant a doctor's visit will be reported on an accident form and filed in the nurse's office.

*Please note:* If an accident is of a serious nature, 911 will be called immediately. The school will then call the parent to advise them.

## Lice

Head lice (Pediculosis) are transmitted through close, personal contact. Through the use of common brushes, combs, curlers, and hair ornaments, and the sharing of hats, headbands, or other head apparel, the insects can be transferred from person-to-person.

A student suspected of having head lice

will be sent home immediately and cannot return to school without being checked by the school nurse.

## IX. GENERAL SCHOOL MATTERS

### ALCOHOLIC BEVERAGES

Alcoholic beverages are prohibited at all school-sponsored events where students are present.

### ATHLETIC FIELDS

The school is not responsible for any injury that might occur when students are using the athletic fields at times when school staff supervision is not provided.

### CAT CAFÉ

The following rules are an effort to provide an orderly eating environment:

1. Sit at assigned homeroom table daily.
2. Speak softly and **remain seated** while you eat. Students must raise their hands for permission to get out of their seats for any reason.
3. The class will be dismissed by the lunchroom monitor after he/she has approved the conditions of the table and floor.
4. Table cleaners will be appointed by the teacher and will assist in cleaning the table.
5. Students will be courteous to **all cafeteria staff and adult supervisors**.
6. No outside food, other than homemade lunches, may be brought into the cafeteria. **Students are not allowed to meet parents in the parking lot.**

You will be seated at a special table and may sit with your child only. **No other children will be permitted at the special lunch table unless accompanied by their own parent.** The children will need to accompany their class as they leave to go outside. **If you are eating lunch with your child, please be on**

**time;** your child must leave the cafeteria when the lunch period is over.

9. Ice cream will be sold on Friday of each week. If Friday is a holiday, ice cream may be sold on Thursday at the discretion of the cafeteria manager.

School personnel will be on duty in the cafeteria to assist the children with any needs or problems.

### CLASS ACTIVITIES

The homeroom parents and home room teachers will work in conjunction to plan extracurricular activities and dates. Together they plan a suitable event for the respective grade level to insure that all sections of the same grade level have the same celebration (refreshments, favors, etc.)

#### *Birthday Parties*

Birthday parties will not be held at school. Parents in pre-k - 8 must arrange with the teacher for a special snack or treat to be brought in during lunch for that child's class. **Private party invitations will not be given out at school or school functions unless the entire class, or all girls to a girl's party, or all boys to a boy's party are invited.** All party invitations will be given to the teacher to be passed out. Neither parents nor students may hand out invitations at school for private parties. **Birthday party favors will not be passed out. Balloons, flowers, etc. will not be delivered to classes during the day.**

These students attend P.E. each day.

They attend art, computer, music, and Spanish, throughout the school year.

#### **Middle School Electives, Grades 7-8**

##### *Student Elective Placement*

In April, students in fifth, sixth, and seventh grade are issued the elective offerings for the following year. This includes a brief

description of the electives and a Student Elective Course Request form. This form is returned to school with the student's top elective choices, a parent signature and a student signature. Students are then placed into available electives for the next year on a first come, first served basis.

Students in middle school have two elective periods each day. Within a three years that students are in 6<sup>th</sup>, 7<sup>th</sup>, and 8<sup>th</sup> grades, they are required to complete three semesters of P.E. As students take P.E. for the entire year in 6<sup>th</sup> grade, then they would only be required to take one semester of P.E. during the 7<sup>th</sup> or 8<sup>th</sup> grades. Students may enroll in a daily instrumental band program. One semester of computer literacy is required during the 7<sup>th</sup> or 8<sup>th</sup> grades.

**Elective choices that may be offered are:**

P. E.	Music
Athletic P. E.	3D Printing (8 <sup>th</sup> only)
Technology	Art
Spanish I (8 <sup>th</sup> only)	Band
Leadership	Study Skills (7 <sup>th</sup> -8 <sup>th</sup> )

**LIBRARY**

The library is open during the school day. Books must be checked out before they are taken from the library. A fine of five cents per book per school day is charged for overdue library books in grades 4 - 8. If a child loses a book, then he/she must pay for the book. If a book is returned in a damaged condition, then the student must pay for the replacement of the book. **Students with overdue library books or fines owed will not receive report cards until the library record is clear.**

**LOCKERS**

Each student in grades 5-8 is assigned a locker. Lockers are to be kept neat and locked. Administrators and teachers may access lockers at any time.

**PEP RALLIES**

St. Anne pep rallies are open to St. Anne students, parents, and family members.

**FIELD TRIPS**

The St. Anne School Board and Administration have adopted a policy regarding field trips and transportation.

Field trips are a privilege afforded to students. Students can be denied participation if they fail to meet academic or behavior requirements.

**St. Anne School Field Trip and Transportation Policy**

A field trip is defined as any activity, including sporting events or practices, in which students would be transported off campus.

All field trip details have to be submitted to, and approved by, the administration.

Suitable transportation is defined by the following restrictions:

- All students must be transported on school buses from a fully licensed and insured commercial charter company or on buses provided by an Independent School District such as Beaumont ISD.
- Buses must have seat belts for all passengers.
- All passengers will be required to wear seat belts at all times while on the bus.
- Standard commercial (tall) and passenger vans are not acceptable.

The principal or principal's designee is responsible for reviewing and verifying that these policies have been followed.

All travel is subject to cancellation if buses with seat belts are not available. Parents are encouraged to confirm the arrival of buses with seat belts before leaving their children at the school for a field trip.

**Written permission from the parents or guardian on the school field trip form is required.**

Any parent or guardian who volunteers to drive a small group must provide copies of his/her valid driver's license and current insurance coverage, complete a "Volunteer Driver Agreement" and a "Volunteer Background Agreement," and be approved through the Diocese of Beaumont as a driver. Parents need to allow ample time for these requests for approval to be processed.

**Diocese of Beaumont  
Office of Catholic Schools  
Transportation  
Field Trips/Athletic & Academic Events**

**Transportation Policy Notes**

**Rationale:**

Research indicates that the safest mode of transportation is the school bus. For trips over 100 miles, comfort becomes a factor. Stewardship and availability of resources may necessitate the use of private or rented vehicles for sporting events or small groups of students traveling to both academic and athletic competitions.

- For trips with groups of 15 or more traveling over 100 miles, a charter bus may be used.
- For large groups of 15 or more, school buses will be used.
- For small groups traveling out of town, the school may rent a vehicle. The vehicle may be driven by a teacher, coach, or qualified volunteer driver who has been pre-approved with the Diocese of Beaumont.
- Only drivers pre-approved by the Diocese of Beaumont may drive students to sponsored events within the diocese.
- Use of 10-15 passenger vans is prohibited per diocesan policy.
- Students who require booster seats (under age 4 or under 40 pounds) are to be driven by their parents or guardians only.

**Additional notes:**

- All drivers of private or rented cars must be on the diocesan approved driver list.
- In order to reduce liability, principals should consider using buses if more than five cars are needed to transport students regardless of the event being in town or within the diocese.
- All vendor contracts for transportation services must be approved through the diocese and insurance certificates must be on file.
- Refer to the diocesan **Temporalities Manual**, exhibit J-q, p. J 53, for the **Driver Information Sheet**.
- Refer to Appendix J-III (page J-19) in the **Temporalities Manual** for more information from the diocese on this topic.

**SAFE SCHOOLS**

St. Anne Catholic School follows the diocesan crisis plan handbook.

St. Anne Catholic School maintains a smoke-free environment for the well-being of our community.

***Disaster Drills***

Disaster drills, which include tornado or severe weather drills, are conducted several times a year. Students should quickly move to assigned areas and sit and face the wall with their heads covered with their arms.

Disaster route and area map for each classroom should be posted where it is readily visible.

Disaster drills and fire drills will be conducted in the After School Care Program.

***Fire Drills***

Fire drills are conducted once a month at unannounced and varied times. All persons must leave the buildings in a quick and orderly fashion. Evacuation route diagrams should be posted in each room where they are readily visible.

***Shelter in Place***

Should a situation prevail in which students must remain in the classroom, a “shelter in place” will be called. The teacher locks the classroom, turns off the lights, and moves students to an area in the room away from view as much as possible.

**SECONDARY BUILDING**

1. Students will enter the building from the side door and proceed up the stairwell in the front of the building. When climbing the stairs, students should behave responsibly and safely.
2. No one will be allowed to use the elevator unless he/she has permission from school personnel.

We feel our teaching staff is one of the best in the area and all equally qualified to provide an excellent education to students. **Therefore, we do not accept teacher requests for student placements.** If there are special factors about your child that need to be taken into consideration when assigning a teacher to your child, you are welcome to fill out a form in the front office for that purpose only. The principal will make the final determination on placement.

# ST. ANNE CATHOLIC SCHOOL

## CRISIS PLAN

St. Anne Catholic School provides a quality Catholic education in a caring and safe environment. School safety, comfort, and security are of the utmost importance as our students, faculty, parents, visitors, and staff move about our campus. When a crisis arises, we will respond with the gospel value of compassion to those who are in need of support spiritually, psychologically, as well as emotionally. We will be proactive in our approach to crisis prevention.

### INTRODUCTION

School personnel are responsible for protecting the children in their care and keeping the community, particularly parents of students, informed of emergency procedures and decisions to safeguard children and staff in times of emergency. This is a charge all personnel – teachers, aids, custodians, maintenance personnel, cafeteria workers and administrators – share equally and hold supremely important. Parents, however, must assume full responsibility for their child’s supervision and protection after the child leaves supervised school activities or before activities begin each day.

School personnel may assist in any way in the line of Emergency Management in any other area or capacity, as long as their activities do not interfere with their assigned regular or emergency duties.

### GENERAL DIRECTIVES

Identification badges are provided for visitors, staff, volunteers, and any adult on campus. Our students are made aware that anyone on campus should be wearing an identification badge; therefore, this represents that they are “safe” people who could be of assistance if a child needed help.

Visitors must report to the receptionist’s office for a badge if they are remaining in the building or on the school grounds. All staff must insist visitors whom they encounter during the school day comply with this regulation for the safety of our children.

Signs are displayed throughout the building and grounds asking visitors to report to the office. All visitors are to sign in and out at the receptionist’s

office even if you are only staying for lunch.

Teachers and staff must have verification of identity of those individuals picking up children during the school day and after school. Students must be signed out by the parent, guardian, or designated person in the receptionist’s office. Anyone signing out a student, other than the parents, must be listed on the emergency card. We reserve the right to ask for identification under any circumstance.

### PLANT SECURITY

Visitors, including parents, have been directed to report to the receptionist’s office during the school day. Parents must refrain from entering classrooms directly during the day and take all messages, materials, etc. to the office to be sent to the classrooms.

All doors on St. Anne Catholic School are kept locked at all times. Parents should use the receptionist’s office as their entry to the buildings. Teachers are to keep their doors locked when they leave their classrooms.

Teachers supervise student pass times throughout the school day.

Flashlights with batteries are provided for every classroom.

All fire extinguishers, smoke detectors, emergency lighting, and other safety equipment are inspected annually and are in good working order.

The office monitors a weather station radio when inclement weather warrants.

### SCHOOL AND COMMUNITY RESOURCES

Faculty and staff are in-serviced concerning early warning signs of anger, violence, or depression in students. A counselor is on staff and provides ongoing instruction to students concerning emotional and social issues. An open line of communication has been developed with parents, teachers, administration, and the counselor when difficulties arise. A team meeting is held, issues

are discussed, and a plan is developed.

The St. Anne community is a close-knit community. Because of this, an event occurring even in the personal life of one of the students could affect the lives of many children. During any crisis situation, the school's main focus must be on the students: those who have been involved in the incident, those who were not involved but have heard what happened, and those who are wondering what all of the commotion is about. Teachers should tally the number of students requesting counseling and seek help for them. Any crisis situation will involve a loss whether it be a death, injury, divorce, changes in body image, a change in geographical location, witness to an act of violence, or abuse. Because all such events involve a loss, all students should be provided with an opportunity to grieve. To facilitate this grief reaction effectively, the school crisis team, which includes counselors, doctors, nurses, and school personnel, will be called together to plan the response.

## **PROCEDURE FOR CRISIS MANAGEMENT SCHOOL CRISIS TEAM MEMBERS**

-Local physicians and counselors as needed.

### Telephone Numbers for Resources in Community

## **Definitions**

Disaster can strike any area at any time. Generally speaking, disasters fall into two broad categories – natural disasters and those engineered, either intentionally or accidentally, by human beings.

### *Natural disasters:*

Disasters such as floods, severe windstorms, tornadoes, hurricanes, and fires are potential destroyers of both life and property. Any of these can occur in the St. Anne area with little or no warning.

### *Accidental disasters:*

The possibility of chemical accidents, industrial explosions, traffic accidents involving students and accidents in transporting hazardous materials cannot be overlooked. The potential for major

accidents increases as people and/or businesses locate more densely in a given area.

### *Terrorism or other intentional disasters:*

In dealing with the safety of students during school hours, administrators are sometimes confronted with such crisis situations as arson, bombs or bomb threats, assaults or active shooter on campus, riotous civil disturbances, looting and/or vandalism.

### *Personal or family:*

These are crises which directly and profoundly affect the school community, such as death of a parent, student or teacher, suicide attempt at school, cluster suicides, and community epidemics.

## **Planning Policies**

### Policy 1

*All students are required to participate in all disaster preparedness drills held on their campuses. St. Anne safety education programs include the training of students to develop alertness and obedience to emergency drills. The more these drills become a matter of routine for students, the less students are apt to panic if or when a disaster occurs.*

### Policy 2

*Students are to be held at school during an emergency situation until the superintendent or principal or the emergency official issues clearance for their dismissal.*

### Policy 3

*One goal of school personnel shall be to prevent panic and confusion by letting parents know where their children are, that they are supervised, and that precautions will be taken for their safety and protection. Children have designated areas in Gilbert Park if an evacuation is deemed necessary.*

### Policy 4

*In an emergency situation or disaster, school personnel will release students only to their parents or legal guardians. Children will be transported to a local hospital of choice if a serious injury occurs. School personnel will accompany them. Parents will be notified and incident reports will be sent to the Diocesan Office.*

## **Emergency Plan I School Not in Session**

When a disaster or emergency occurs when school is not in session, and the emergency prevents the normal operation of school, the following steps will be taken:

### *Announcement of closing of school:*

- The superintendent will make the decision to close school(s) by 6:30 a.m., if possible. The fire department has authority to close and keep schools closed when deemed necessary for the safety and well-being of students and/or patrons. Designated spokesperson for the media will be Diocesan Office of Catholic Schools. Please direct all media inquiries to the Office of Catholic Schools @ 409-924-4322. Teachers and staff should not give out any information.
- Key personnel of the schools will be notified by telephone. The personnel phone chain will be activated.
- The superintendent or his/her designate shall notify the media. All other school employees, students, and parents will be notified of the closing through local radio and television broadcasts (Channels 4, 6 and 12) or through School Reach.
- The principal is in charge and will exercise control over the school in an emergency, but will yield as required to the authority of officials on the scene. The school will cooperate with the Red Cross or Emergency Management regarding the use of facilities and personnel for community care. The principal shall designate an alternate to take charge in his/her absence.

## **Emergency Plan II School in Session Duties of Key Personnel**

This plan includes a description of the warning system, the general duties of key personnel and an emergency action plan for each type of disaster. In an emergency, all key personnel will be contacted. The Office of Catholic Schools will be notified.

## **Drills and Special Precautions**

### *Fire Drills:*

- The principal is required to conduct a fire drill once each month.
- All occupants, including students, teachers, administrators, classified employees, and students must leave the building during a fire drill.
- Students must leave the building in an orderly and rapid manner.
- Teachers are required to check all laboratories, workrooms, bathrooms, and closets to ascertain that no students remain in the building and to make arrangements to assist any handicapped student evacuating the building.
- Students, upon leaving the building, shall remain under the direct supervision of a teacher.
- Teachers should remove their class rolls and gradebooks from the building when they depart so that a rapid check of all students may be conducted.
- Fire Alarm – long, continuous siren
  - Evacuation to designated park area immediately.
  - Teachers check roll with class list. Report headcount via the grade level radios provided on channel one.
  - Return when authorized over the grade level radios.

### *Bomb Threat:*

- Same procedure as fire drill; evacuation of all personnel.

### **Tornado Safety Procedures for Children**

#### *Administration*

- Warning of a possible tornado (tornado watch) or impending tornado (tornado alert) is usually received via radio, television, or Emergency Management officials.
- Prime attention should be directed toward sky conditions to the south and southwest.
- Audible signals or verbal alarm will notify children and staff, and they should be assembled inside the building.

#### *Staff and Children*

- Number one job – get students near an interior wall and away from windows.
- **Telephone lines should be kept operative as much as possible.** Parents should not call in, so lines are open for emergency personnel.
- Children should usually sit with heads between knees; or lie prone, face down.
- Avoid enclosures with long roof spans, such as auditoriums and gymnasiums.
- Immediate action usually calls for taking cover under desks or suitable heavy furniture.
- **Doors should be opened to equalize pressure.** Flashlights should be available.
- **Children should be released only to their parents** (signed permission might be arranged for others). However, parents should take cover themselves as children are safer in school than outside.

- **Roll should be taken** and each child accounted for.
- All school personnel should be aware of their particular responsibilities. Calm, firm, positive action on the part of every adult is essential.

***Before and after school***

- **Walkers in an open area should take cover** and lie flat in the nearest depression such as a ditch, culvert, excavation, or ravine.
- Buses should usually head away from the tornado's path, at a right angle to it, or occupants should abandon the vehicle and take cover, as should walkers.

**TORNADO  
Safety Rules**

***Knowing what to do when a tornado is approaching may mean the difference between life and death!***

***If you are near a tornado cellar or underground area:***

When time permits, go to a tornado cellar, cave, or underground excavation, which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas or debris; and preferably equipped with pick and shovel. *There is no universal protection against tornadoes except underground excavations.*

***If you are in open country:***

- Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 mph.
- If there is no time to escape, lie flat in the nearest depression, such as a ditch or ravine.

***If you are in a city or town:***

- Seek inside shelter, preferably in a strongly reinforced building. **STAY AWAY FROM WINDOWS!**
- In homes: The corner of the basement toward the tornado usually offers greatest safety, particularly in frame homes. People in houses without basements can sometimes be protected by taking cover under heavy furniture against inside walls. Doors and windows on the sides of the house away from the tornado may be opened to help reduce damage to the building.
- Standing against the inside wall on a lower floor of an office building offers some protection.

***If in a school:***

If school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. **AVOID AUDITORIUMS AND GYMNASIUMS** with large, poorly supported roofs!

***Keep calm.***

**It will not help to get excited.** People have been killed by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in the warning area are directly affected. You should know about tornadoes, though, "just in case."

***Tune in.***

Keep turned to your radio or television station for the latest advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.

*TEXAS DEPARTMENT OF PUBLIC  
SAFETY  
DIVISION OF DISASTER EMERGENCY  
PROCEDURES*

**TORNADO WARNING  
Safety Procedures**

**Do not panic – remain calm and think!** Listen carefully to all directions given either over the PA system or by those in charge.

**Go to a safe area.**

**Crouch on the floor** facing the wall. Bend over with your hands on the back of your neck.

**Keep away from the glass doors,** windows and large rooms like the gym.

**If you are outside during PE,** return to the inside of the building immediately and seek shelter in a safe area.

2017-2018

Dear Parent or Guardian:

This letter will clarify the policy of this school regarding absence from regular classes for the purpose of a family vacation.

School personnel do not have the legal authority to give students permission to be absent during school hours for the purpose of taking vacations during the school year. This is a decision that can only be made by a parent/guardian.

It is the policy of this school that students who take vacations during school hours do so with the full understanding that they are responsible for the course work covered during their absence and that the absences incurred during a vacation will be counted as unexcused. Since part of a student's evaluation may include daily contribution and mini-tests, absence from school has a direct effect upon this learning and its subsequent evaluation. **Due to the nature of some course work, it is not possible to "make up" the material; students will receive their assignments when they return.** We are concerned that vacations during class time will affect your son's/daughter's progress. **Please note that students should request their assignments when they return from absences.**

Please complete the information below and sign the form. Your child is to discuss the upcoming absence with each subject teacher and find out if any steps can be taken to minimize the effect of the absence. After each teacher has initialed this form, it should be returned to the school nurse to be recorded and filed.

Sincerely,

Alison Kiker, Principal
