The Math Learning Center
Summer!

During the summer, many students lose 2.5 months of the math computational skills they learned during the school year.

Our Summer-Only Memberships Include:

Customized Mathnasium "Summer Workouts"

At Mathnasium, summer programs are all about preventing summer learning loss and helping students prepare for what lies ahead. For some students, that means a solid review of previous material. Others benefit from previewing upcoming concepts.

Flexible Visits

Set your own summer schedule and drop in on the days you choose! Spread out your visits through summer or complete in just a few weeks. Our summer program runs from June 5th to August 25th 2017.

Summer Fun

Students will enjoy 15 minutes of activity time during their sessions! Enjoy fun games for each age level to develop logic, number sense, and skills!
