Welcome to the St. Anne Home & School Association!

Each year the Home & School Association (HSA) provides support to the school in an effort to promote and enhance the quality of education at St. Anne Catholic School. We do this by providing opportunities for community-building and fellowship through events like our Annual Tailgate Cook Off and Washer Tournament and Carnival BINGO dinner; we support our wonderful teachers and staff through the Welcome Back Luncheon, Christmas Fund and Teacher Staff Appreciation Week; we raise important funds for our school through our Halloween Carnival and Dinner Dance Auction; we provide support for instructional programs; we host the Father-Daughter Dance, Mother-Son Volleyball Game, Field Day, and Kickball Tournament; and we support functions during Catholic Schools Week and throughout the school year.

Every parent is automatically a member of the Home and School Association and is encouraged to volunteer. By volunteering your time and talents, you will be rewarded by knowing your efforts are creating the best possible educational experience for our children.

This year the HSA is comprised of four officers, forty-one committee chairpersons, and six advisory members. These members make up the HSA Board. We are most appreciative of our Home and School Association Board and their commitment to St. Anne Catholic School. The talent, enthusiasm, energy, and involvement of these members create a special experience you will not want to miss!

How can YOU assist this year? **Please read over the attached committee volunteer checklist and consider signing up for at least two committees.** We will have a table at Meet-the-teacher Day where you can drop off your HSA forms. If you have any questions or would like to inquire more about volunteer opportunities at SAS, please stop by. Come share your heart and hands with the St. Anne Home & School Association!!

*We are so blessed in our St. Anne community to have such an active, involved, motivated and dedicated Home and School Association. The money raised through these committees and school-wide events helps to support our school budget, assists in paying teacher salaries and helps us to celebrate our students and staff throughout the year for all their hard work. Share your heart through our Home and School as we work to teach, enrich and touch the hearts of each of our students.*
