It's here! It's here! The wait is finally over! The happy sounds of three- and four-year-olds playing on their brand new playgym can now be heard on St. Anne campus. Everyday, the Wee Wildcats can't wait to get outside and play on their new equipment.

We could not have made this happen without the generosity of so many wonderful donors. St. Anne Catholic School would also like to thank Brandi Coffin for her leadership in garnering funds for this project. Without her determination, the Wee Wildcats would still be waiting! Thank you, Brandi, and thank you to all our donors!
