## THE NATIONAL PARKS OF TEXAS, IN CONTACT WITH BEAUTY

The national parks of Texas are a gift, a diverse mix of sites where visitors can climb rugged peaks, kayak beautiful waterways, discover our state's rich history and experience an endless choice of adventures. In many ways, the story of our state's parks is the story of Texas itself. *The National Parks of Texas, In Contact With Beauty* shares how these parks were created and reveals the secrets they hold. Travel with us on a trip around the state and across time to experience the past, present and future of the national parks of Texas.
