

Calling all Wildcats! Join the 2017-2018 St. Anne PSIA Team

Once again, our school has elected to participate in the Private Schools Interscholastic Association (PSIA) extracurricular academic program for elementary and middle schools. PSIA participation motivates your child in these ways:

- ✓ Refine mental aptitudes
- ✓ Affirm self-worth
- ✓ Bring new excitement to learning
- ✓ Develop teamwork and a sense of fair play
- ✓ Experience a sense of pride and dignity
- ✓ Foster self-discipline and perseverance
- ✓ Enjoy camaraderie with students from other schools
- ✓ Achieve recognition for academic excellence
- ✓ Gain tribute for aptitude in the fine arts
- ✓ Receive tangible awards for academic and creative abilities
- ✓ HAVE FUN!

Over the next few weeks, all of our students will have the opportunity to consider trying out for one or more of the PSIA academic events. Please look over the PSIA sign up form. If your child is interested in participating in any of the contests, fill out the form and return it to school as soon as possible, as coaches are ready to schedule practices. **The District 10AA Meet will be held in Houston at St. Elizabeth Ann Seton Catholic School on Saturday, March 3, 2018.**

Because we are limited to the number of students/grade to be entered at the district level in each event, we encourage you to visit with your child about his/her interests and the possibilities of entering these events. Students who competed last year and qualified for the state meet are automatically placed in that particular event if they choose to participate again. If there is a large number of children interested in the same event, a test will be held by the academic coach at the beginning of October to determine the participants and the alternate of the event. Also, parents will be asked to work a minimum of one shift at the district meet. From our district meet, one or two students will advance in each contest to the PSIA State "AA" Meet to be held at Texas Christian University in Fort Worth on *Saturday, April 28, 2018.* Further information about each contest may be found on the PSIA web site: www.psiaacademics.org.

On Wednesday, September 13, 2017, at 5:30 p.m., a PSIA Parent Information Meeting will be held in the Library Conference Room. In addition, all PSIA Student Interest Forms are due no later than this meeting. We are looking forward to another great year for PSIA! Please feel free to contact either of us if you have any questions.

God bless,
