

SAS Required Reading - Summer 2017

While summer reading is important in continuing a student's academic progress and aids in success in school, it should also be a time for families to foster and nurture a lifelong love of reading. St. Anne Catholic School students who are entering 3rd through 8th grades will enjoy going on many adventures in the pages of the summer book selections. Students are required to choose and read one book from the list for the grade level they will enter in the fall. A student only needs to read one title in a listed series. Students are not required to read all of the selections listed for their grade. Some form of assessment will be done during the first two weeks of school. No book projects are assigned for completion over the summer with the exception of HAPPY READING!
